EVENT SPECIFICS

Join us at NVNSA Annual Convention 2024 for the chance to network with fellow and prospective students, career nurses and leaders in the nursing profession. Engage in motivational conversation from influencer, Quiggle Ignacio and the panel of Nursing Professionals to share about their real-life experiences. Hear from Dr. DeRionne P. Pollard (President of Nevada State University) during opening ceremony, as well as Dr. Cameron Duncan (Dean of Nursing from University of Nevada, Reno) and Dr. Delos Jones (Dean of Nursing from Arizona College of Nursing) on the state of nursing. Network with community outreach nonprofits and opportunities to serve the Nevada community. Chance to donate blood with American Red Cross on-site. Bring your resume and cover letter to meet with recruiters from local hospitals. Learn strategies from mini-NCLEX review given by UWorld. Earn points towards your local SNA chapter for the 2024-2025 academic year. Lastly, participate by voting for your 2024-2025 NVNSA board during our elections. Stay tuned for giveaway prizes and take advantage of discounts and opportunities from our exhibitors.

Can't wait to meet you there!

WHO IS NVNSA?

EIN: 83-0532014

Nevada Nursing Student Association (NVNSA) is a 501(c)6 membership-based nonprofit run by currently-enrolled nursing students in the state of Nevada. Our organization unites the Student Nurses' Association (SNA) chapters at various nursing schools within the state of Nevada and partners to collaborate with the National Student Nurses' Association (NSNA). Our goal is to provide programming, resources, scholarship opportunities, and influence the future of health care for nursing students. We engage with Nevada outreach organizations to serve our communities and provide engaging avenues to network with nursing professionals and educators. Our purpose is to help nursing students navigate their academic journey by contributing to their nursing education and providing various opportunities to support their future careers as licensed nurses.

WE ARE ONE

We believe that all Nevada Nursing students are part of one big team. Regardless of what school you attend, we all have one common goal- help the citizens of Nevada.

Nursing is more than just a career. It is a mindset, a way of life, a culture, and passion.

We believe that a successful nurses don't just have tenure under their belts, but they have heart, courage, and stamina to face new situations every day, advocate for their patients, and to not be afraid to continue to learn until the day they retire.

We believe nurses are leaders in the community and that we have to ability to change healthcare, racial discrimination, gender bias and other social norms for the better.

The NVNSA is our resource to connect nursing students and the next generation of nurses all across our vast state. We are the future of healthcare in Nevada.

We are strong. We are leaders. We are one.
